AVALANCHE 1000 XL

AVALANCHE 1000

Whatever AVALANCHE model for which you will fall for, pleasure is not an option!

The new Avalanche's 1000cc, "V"-twin cylinders engine, will procure you thrills wherever nature will bring you. Its look and design has been redrawn to meet all your needs! From the all new LED lights, followed by the seats onto the adjustable steering wheel, NORDIK simply thought of everything!

AVALANCHE 1000 now provides improved stability, thanks to its stretched suspension arms as well as a new suspension system, equipped with gas shock absorbers.

75 horsepower under the hood and a top speed of over 130 km / h, the thrills are at your fingertips for less than you can imagine!
