# AVALANCHE 800 & 800XT

**Standard  
accessories  
and features**  
offered by NORDIK  
will save you thousands  
of dollars.

## Fun is not optional with the new AVALANCHE 800!

Its powerful 800cc V twin provides intense feeling throughout an acceleration that will bring you up to 110 km/h or even more. Its well designed cockpit and standard adjustable seats provide great comfort to both driver and passenger. With the new AVALANCHE 800 you can drive wherever you want to go for a fraction of competitors pricing!

## The 58" extended version, AVALANCHE 800 XT,

brings more stability while riding fast on rough trails and has additional 5 cm travel on each a-arm provided an even more comfortable ride than the standard version. Front and rear fender extensions are giving an amazing look to our new sporty side by side and protects passengers against everything nature will bring on!
