BLIZZARD 1000

BLIZZARD 700 SE

The new BLIZZARD 1000, is a power beast with its 976cc engine that develops over 75 horsepower!

And what about the new BLIZZARD 700 SE with its completely redesigned style, including new gas shock absorbers suspension and its full height seats for more comfort.

The BLIZZARD remains the reference in terms of performance and durability in NORDIK MOTOR products. Its greatest quality is certainly its versatility, as they also are as effective at work as they are at hiking, in addition to offering an excellent quality/price ratio!
