TORNADO 250 SPORT

NORDIK thought about your wallet by launching the new TORNADO 250 SPORT and utility at a price that challenges the imagination. The TORNADO 250 are ideal for nature lovers who like to go exploring the trails, as their automatic transmission is equipped with a low range that will allow you to overcome obstacles without any difficulty. Moreover, their 229cc, DELPHI fuel-injected engine provides acceleration that will surprise you.

The width of the 250 versions is less than 50" and its weight of around 700 pounds, makes it simple and easy to transport and allows you to roll directly into the ATV's trail ruts, benefits that you sure will enjoy.
